Hunger and homelessness are huge challenges for too many in western Wisconsin. United Way’s Food Resource Center provides food for area pantries and shelters. By giving to United Way, you join your passion with that of thousands of others committed to providing a safe haven for those with nowhere else to turn. A \$120 gift provides two days of shelter and meals for a family of five.

By working together and giving together, we can uplift so many more.

“PLAY AND LEARN CLASSES STRESSED THE IMPORTANCE OF READING TO MY CHILDREN UNTIL THEY BEGAN TO READ ON THEIR OWN. WE READ TOGETHER EVERY DAY.”

There is no better way to affect long-term community change than by making sure every child enters school ready to learn. United Way’s Success By 6 initiative does just that. Investing in children during their early childhood years leads to high school graduation and a better job.

You can make an immediate and lasting impact by contributing to United Way St. Croix Valley.

WHEN WE ARE UNITED WE BUILD A BETTER COMMUNITY.

Your generous gift will affect your community in a profoundly positive way. Our neighbors will have food and shelter and will be helped in times of crisis. Our children will have the skills they need to become healthy and successful adults. Our seniors and the disabled will receive the support they need. Our entire community will be stronger.

WHEN WE ARE UNITED THE RESULTS ARE REMARKABLE.
