

# UNITED WAY FOOD RESOURCE CENTER

## SPONSORSHIP OPPORTUNITIES

The United Way Food Resource Center (FRC) has procured and distributed more than 102,186 pounds of food to the pantries and community meals, WIC, Department on Aging, etc. in Pierce and St. Croix Counties since February 2008. Through our arrangement with Second Harvest Heartland, each dollar we spend buys roughly nine dollars of food. That means your sponsorship translates into more food for our community.
