

Stories of Strength

United Way
St. Croix Valley

At a young age, Bill, a diabetic husband and father, was diagnosed with early Alzheimer's. Bill's wife Jane is employed full-time to support the family due to his disability.

Thanks to United Way St. Croix Valley donors, **Endeavors Adult Development Center's** Day Friends program provides respite care during the day so Jane can continue her full-time employment. Jane is appreciative of the memory care services provided.

Diabetic meals are provided daily. Bill's physical and mental health is enhanced at Day Friends, and he is able to **maintain his independence** while living with his wife and dog in his own home.

Partner Agency:

By supporting United Way St. Croix Valley, you support the health, education, and financial stability of *every person in every community* in Western Wisconsin.
